TOMOKAN

50th ANNIVERSARY

1885 1935

PUBLISHED BY THE
STUDENT ASSOCIATION
OF ROLLINS COLLEGE

WINTER PARK
FLORIDA

TO

EDWARD FRANCIS WEINBERG

We, the Seniors, respectfully dedicate this 1935 edition of the TOMOKAN. Mr. Weinberg, in his loyalty to Rollins College and its ideals, has won for himself an enviable place in the hearts of every one of the Rollins Family. Just how much of the success of the New Rollins can be attributed to Mr. Weinberg we cannot say, but we do know that he has had a large part in making the Rollins Conference Plan a reality.

We, as seniors and publishers of this college yearbook, are grateful to be able to so honor Mr. Weinberg, loyal friend, able teacher, and inspired leader.

FOREWORD

It is significant that this, the year commemorating the fiftieth anniversary of the founding of Rollins College, should also mark the graduation of the first whole class who have received the benefits of the Rollins Conference System.

In the last decade Rollins has donned the seven-league boots and has made phenomenal strides in the field of education. It is the hope of every senior that this great educational plan will be installed in colleges nationwide.

We, the class of 1935, have been charter members in this move towards humanizing education. In the course of our college career we have seen an experiment become a reality. We have enjoyed our college education, and yet we feel that we have received not only a thorough academic education, but an education in life as well. We feel proud that we have been able to contribute to an ideal; and are happy, at this time, to felicitate President Hamilton Holt and assure him that we believe his vision has become an actuality.

ᓴᓕᒥᓄᑦ

The PRESIDENT'S MESSAGE

THIS is the fiftieth anniversary of the founding of Rollins College and the tenth year of my administration. What are the chief things I have learned in these ten years? I put them down at random.

First, that nothing worthwhile comes easily. Work, continuous work and hard work is the only way to achieve results. Half-way work achieves not half results, but no results.

Second, that age has as much to learn from youth, as youth from age. Age has wisdom, youth idealism. Youth believes in the future. Each one of you in the graduating class no doubt thinks that you will succeed in your chosen work; that you will be happily married; that you will be healthy, wealthy and wise. The fact that you believe these things will make them come true. As we go through life we older ones lose some of these ideals. We need ever to renew them. Youth, however, needs wisdom and that, alas, must come with experience. You cannot be blamed for not having wisdom but we who are older can be blamed for not having idealism.

Third, that one must not expect things to come too quickly. When I began my work here I thought that Rollins would be much farther advanced than it is at the end of ten years. But I have found that the people you expect to help you often fail you, and that you often get help from the most unexpected quarters. The College President's most needed virtue is patience.

Fourth, that the three greatest goal words in our language are Truth, Beauty and Goodness, but the words that tell us how to get there are Faith and Love. One must have faith in what one is doing and love the task at hand. You and I may well rejoice that we have an abiding faith in Rollins and a love for her in our hearts.

HAMILTON HOLT.

TO THE CLASS OF 1935

FOR four years it has been my pleasant duty to watch each of you grow in knowledge and wisdom. There is no need to tell you I shall miss you. Your constant cooperation with the Administration has been an ever-present source of strength. May it so continue in the years ahead.

For four years it has been your privilege to share in the progress of Rollins. With the approach of your graduation may I express the hope that Rollins will share in your success, for it is thus that a college achieves added prestige. Long may you continue to add to the glory of your alma mater.

To each of you: Bon voyage and best wishes on your journey through life.

WINSLOW S. ANDERSON,
Dean of the College.

• •

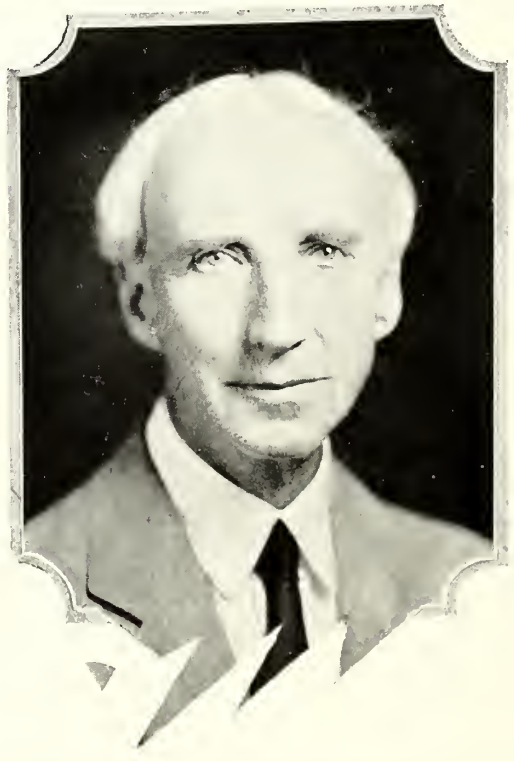

WHAT can one do when one hundred words only are permitted to offer one's felicitations to the graduating class?

You are to be congratulated, if through your college years you have developed the habit of independent thinking, have discovered the difference between mediocrity and fineness of life, have been able to concentrate, to create things both beautiful and useful, to introduce the principle of loyalty and cooperation and to know the value of understanding comradeship.

The best lessons learned from life are through experience, not through the theories and dogmas, and from real people rather than from textbooks and classroom lectures.

Christian character is more important than scholarship, however desirable this may be, and faithfulness is greater than worldly success. Every blessing be upon you all.

CHARLES ATWOOD CAMPBELL,
Dean of Knowles Memorial Chapel.

TO THE CLASS OF 1935

I LIKE to think of you individually rather than in a class group, so in my farewell message to you, I am clasping you by the hand, looking you in the eye and wishing you Godspeed.

You are facing a world burdened with depression and uncertainty but you are facing a world of opportunity, and you are equipped for service. You have had the advantages of education that come to comparatively few, because you have learned to lose yourselves in service, we have faith in your ability to find yourselves.

The supreme purpose of life is not merely material gain. To be sure, a man must work for financial reward in order to keep alive, but the only reasonable justification for his keeping alive is that he shall have a life worth living,—a life that is more than a mere physical existence—friends, society, philosophy, literature, art, all that enlarges the circle of intellectual interest and kindles the imagination, that brings power, breadth and balance, are part of his heritage.

I believe in the class of 1935, in your ability to make the world a better place to work in. Keep in touch with your friends, your classmates and your alma mater. Come back often and drink from the fountain. God bless you all!

ARTHUR DELANO ENYART, *Dean of Men.*

FOUR years in college! To a freshman, how long they seem, how filled with new and perhaps difficult tasks! To seniors, about to go off the "deep end"—how many happy memories of work and play in the Florida sunshine, will be recalled in the years to come. The time seems short in retrospect, but I hope your lives will be happier and richer because of your years in Rollins. Those of us who have had the privilege of carrying on the high adventure of education with you, will hope for your continued help in making Rollins a living, growing ideal.

Dean of Women.

ORGANIZATION

THE STUDENT ASSOCIATION

The student body of Rollins College is self-governed by the medium of the Student Association. Each person regularly enrolled in the college automatically becomes a member of the Association and has a vote in deciding the leadership of the organization. This group has the highest authority in all student affairs.

To expedite governmental affairs the Student Association vests its judicial powers in the Student Council, a body of nine members including the president, vice-president, and secretary of the Student Association. Also serving are six student representatives, three elected from each division of the entire student body. The Student Council controls the business affairs of the five departments of the Student Association, namely: Men's Athletics, Women's Athletics, Publications Union, Debating, and the Glee Club. Each year the Council receives a lump sum, the Student Association fees, which it divides as it sees fit among the various departments under its jurisdiction.

STUDENT-FACULTY DISCIPLINE COMMITTEE

This organization, composed of Dean Anderson, Dean Enyart, Dean Sprague, three faculty members and six members of the student body, has the final word in deciding most of the disciplinary measures of the college. Few cases are handled during a year, but it is essential that those who allegedly violate the bonds which bind the college community be given a chance to state their cases before a representative body, before the college can reach a final decision.

As well qualified as the Rollins administration is, it is natural that the students themselves are often better fitted to handle specific cases than is the faculty. It is also by virtue of this committee that the student body may have a constructive part in formulating regulations. The success of any college is especially dependent on the whole-hearted co-operation of the total organization, students, faculty, and finally of the town in which it is located.

THE CHAPEL STAFF

The development and the general oversight of the activities centering on the Chapel are entrusted to the Chapel Staff, consisting of twelve under-graduate students, Dean Charles Campbell of the Chapel, and his assistant, Professor Buel Trowbridge.

The staff is the nucleus of a group of five committees each of which is ordained to carry out projects in a specific field. The Program Committee arranges the regular Sunday Morning Meditation Services, choosing speakers. At Christmas and at Thanksgiving, generous gifts of money and food were gathered and distributed by the Social Service Committee. The Publicity Committee arranges for the publication of announcements and news disseminating from the Chapel. One committee has charge of the handling of the congregation and appoints ushers. Finally, the Music Committee has been a salient factor in the success of the musical portion of the services.

SOCIAL COMMITTEE

Dean Sprague, Dr. Bradley, Dean Arthur Delano Enyart, Mr. Pfister, Miss Robie, Dr. Wendell Stone, Mrs. Wilcox, and student members, Leah Jeanne Bartlett and Leonard Roth, comprise the Rollins social committee, one of the most important organizations on the college campus. Under the guidance and wise counsel of Chairman Helen Guernsey Sprague, Dean of Women, this committee arranges a calendar for the school year, so that there may be no conflict in the dates of all-college dances and other important social functions.

This committee also handles matters of discipline relative to women students, and enforces rigid regulations regarding their conduct and proper chaperonage at all college functions. Other duties of this body consist in the passing of house rules governing fraternities, sororities and dormitories, and in enforcing discipline in cases of infractions.

PUBLICATIONS UNION

The Publications Union has concluded its fifth successful year. It was founded to control all student publications and to advance their respective interests within the student body. The specific duties of this group include election of editors, associate editors, and business managers of the SANDSPUR, the TOMOKAN and the FLAMINGO and supervision of all major business transactions made by these publications.

The personnel of the Union is composed of the above named heads of each member publication with the addition of the Advertising Commissioner and representatives-at-large from the upper and lower divisions of the Student Association.

Dean Winslow S. Anderson, Mr. E. T. Brown, and one faculty representative of each publication are members in an advisory capacity only.

THE SANDSPUR

Now in its forty-first year and rapidly becoming one of the finer leading college weeklies, the *"Rollins Sandspur"* is the college paper. With little faculty supervision it is truly representative of the voice of the students themselves. This year the paper has made noticeable progress along lines of better make-up and quality of the news articles. Run on a strictly business basis, the *"Sandspur"* is largely supported by the advertising, although it receives an allotment from the Student Association yearly.

Its sharp, clear editorials clarify the current controversies and state the issues impartially. World news from the United Press is included in each issue so that its readers may have a selected group of the most important national and international happenings. Rollins news, however, takes up the greater part of this journal, and all college events are carefully recorded.

For the past year Gordon Jones has been Editor-in-Chief and David Bothe has been Acting Editor. Bonar Collinson has been the Business Manager.

Back row: Howard Showalter, Mary Peck, Jane Pelton, Elisabet Richards, Louise MacPherson, Bonar Collinson, John Bullock, Jack MacWatt, Seymour Ballard, H. P. Abbott.

THE FLAMINGO

This is the literary magazine of Rollins College. It recently concluded an epoch-making year under the leadership of its Editor, James F. Holden. Instead of publishing a small magazine each month as heretofore, the policy was changed to permit the more infrequent publishing of larger issues. Guided by this standard, the staff got out the issues only when the material submitted was of high enough quality to warrant publication. The result was four issues, three of which were double the size of those of any preceding year, and which contained for the first time short stories of magazine length.

Associate Editors were Maxeda Hess, John Bills, Gilbert Maxwell, and Marion Templeton. The Business Manager was James Tuverson.

OMICRON DELTA KAPPA

Omicron Delta Kappa is a national honorary campus activity fraternity for men. It aims to accord recognition and to give greater opportunities for service to those who achieve positions of prominence in campus activities. It seeks further to establish a more intimate relationship between administration and students in advancing the best interests of the college. Finally, it exists to foster and maintain healthy traditions among members of the student body.

O. D. K. recognizes five major fields of activity: Scholarship, Athletics, Student Government, Publications, and Debating. Its membership is limited to six per cent. of the male student body. Faculty members are elected by the whole group in recognition of conspicuous service. During Founder's Week Rex Beach was elected to honorary membership.

Members are: David Schrage, E. Gordon Jones, Milford Davis, Stuart Eaton, Richard Washington, Benjamin Kuhns, Robert Black, Leonard Roth, Dean Winslow S. Anderson, Dean Arthur D. Enyart, President Hamilton Holt, A. J. Hanna, Edward Weinberg, Willard Wattles, Jack McDowell, E. T. Brown and Will Rogers.

Back row: Milford Davis, David Schragi, Prof. Willard A. Wattles.
Front row: Dean Arthur D. Enyart, Dean Winslow S. Anderson, Robert Black, Benjamin Kuhns, Ervin T. Brown, Dr. Hamilton Holt.

Front row: Gordon Jones, Dorothy Smith, Marlen Eldredge, Jean Parker, Barbara Parsons, Elisabet Richards, Norris Clark, Sally Limerick, Janet Murphy, Winthrop Brubaker, Fred Scholfield.

THE ROLLINS KEY SOCIETY

This honorary scholastic organization was established on the campus in 1928. Thirty students in the Upper Division who have attained high scholarship and are engaged in varied activities in extra-curricular affairs are eligible for membership. The purposes of the society are "to study, discuss, and strive to further the best interests of Rollins College; to encourage graduate work among Rollins students; to help to maintain scholarship and extra-curricular activities on a high plane."

The accomplishment of the year to which the society points with most pride is the establishment of the Phi Society, a similar honorary for Lower Division students.

The officers are: Gordon Jones, President; Fred Scholfield, Vice-President, and Jean Parker, Secretary-Treasurer.

Members are: Dorothy Smith, Marlen Eldredge, Barbara Parsons, Elisabet Richards, Norris Clark, Sally Limerick, Janet Murphy, Winthrop Brubaker, Elfreda Winant, Elizabeth Trevor, Louise Large, Maxeda Hess, William Davies, Theodore Ehrlich, Howard Showalter, Dante Bergonzi, Jack MacWatt, William Woodhull, Robert Black.

PI KAPPA DELTA

The Florida Alpha Chapter of Pi Kappa Delta, a national honorary forensic fraternity, has just closed a successful year. Members of this organization are selected on a basis of their records in intercollegiate debating, oratorical contests, and contests in extemporaneous and after-dinner speaking. Under the supervision of Professor Harry Raymond Pierce, the Alpha chapter was represented at the national convention of Pi Kappa Delta which was held in Alabama this spring. The Rollins delegates were Richard Shattuck, James Holden, and Sterling Olmsted, who participated in the Oration, Debating, and Extemporaneous Speaking, respectively.

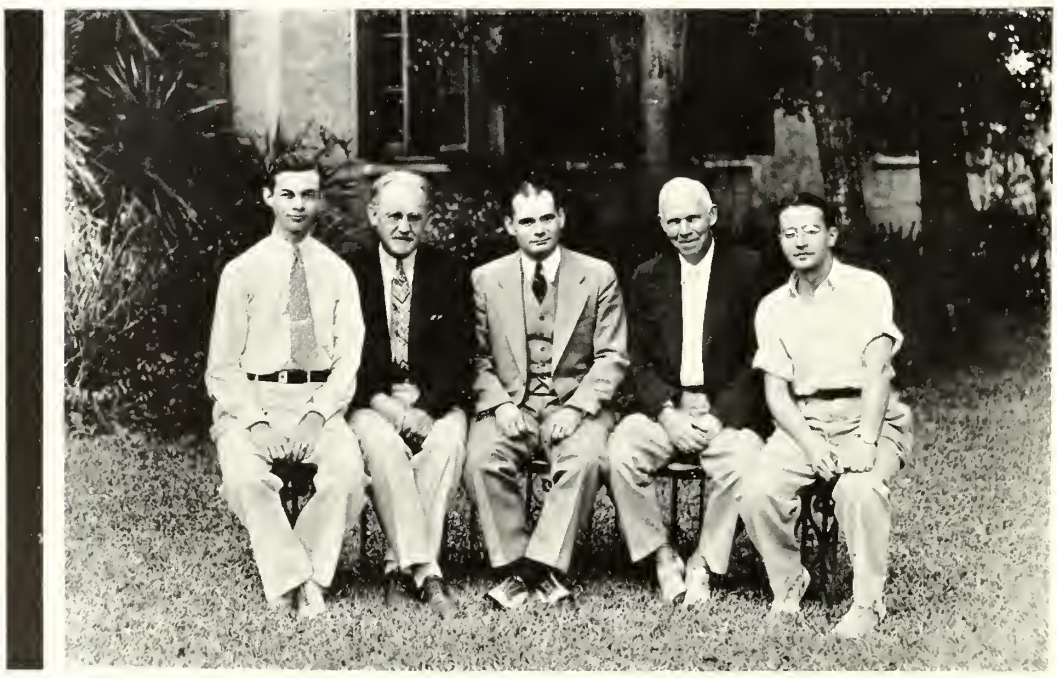

Those who were honored by membership in this fraternity this year were: James Holden, George Young, Marita Steuve, Kathleen Shepard and David Bothe. The old members include Richard Shattuck, President; Sterling Olmsted, Vice-President; Milford Davis, Reginald Clough and Leonard Roth. Faculty members are Professor Harry R. Pierce, Dean Winslow S. Anderson and Dr. Evelyn Newman.

PI GAMMA MU

Pi Gamma Mu, the National Social Science Honor Society, was established at Rollins in the spring term of 1932. The purpose of Pi Gamma Mu is to inculcate and to further the ideals of scholarship and social service and to develop a scientific attitude and approach to all social problems as they arise. Although there is no limit to its membership numerically, it is the purpose of Pi Gamma Mu to restrict its election of members to those who have shown prominence in some field of social service work. Students who are in the Upper Division, having a major in one of the social sciences, and who have maintained a high scholarship in their academic work, are eligible for initiation into the chapter.

Student members are: Gordon Jones, Agatha Townsend, Mary Mutispaugh, Milford Davis, Dorothea Yust. Faculty members are: Dean Enyart, Dean Anderson, Royal France, Edwin Clarke and Audrey Packham.

PHI BETA

This is a National Honorary Fraternity for women, founded May 5, 1912, at Northwestern University. Its purpose is the promotion of music and drama in college campus life. It is through the medium of the arts and their relation to college life that Phi Beta seeks to teach its members to lead a life of service and to attain the highest type of womanhood.

The Theta chapter of Phi Beta was installed on the Rollins campus in 1923, and has since become a strong and influential group. Phi Beta has been of helpful service to the college and to the community at large in its provision of talent for the dramatic productions in music. Phi Beta presented several programs on radio station WDBO in Orlando this year.

Members are: Dorothy E. Smith, President; Maxeda Hess, Vice-President; Elfreda Winant, Secretary; Virginia Orebaugh, Treasurer; Margaret Jenkins, Nancy Cushman, Mary E. Warner, Mary Jane Meeker, Barbara Parsons, Frances Hyer, Dorothy Manwaring, Gulielma Daves, Eleanor Sheetz, Opal Peters, Eleanor Reese, and Catharine Bailey.

THE PHI SOCIETY

The Rollins Chapter of the Phi Society was started during the current college year. It is a national honorary organization, sponsored by Phi Beta Kappa, and its purpose is to recognize scholarship accomplishment during the freshman year. The Phi Society was organized several years ago at Colgate, Western Reserve and Dennison. Since then it has spread to various colleges and universities throughout the country.

Ten members will be chosen every year from now on. Ultimately, membership in the Phi Society at Rollins will be recognized as a spur towards the winning of a Phi Beta Kappa key, when the college is permitted to grant this award. At present it has probably the highest requirements of any honor society on the campus and is the only national society of a purely scholastic nature now represented here. The members of the Phi Society are: John Beaufort, President; Frances Perpente, Secretary; Jane Smith, Carol Valentine, James Myers, Sally Hammond, Paul Parker, Margaret LeFevre, John Fluno and Claudelle McCrary.

Back row: Paul Parker, John Beaufort, James Myers.
Front row: Carol Valentine, Jane Smith, Sally Hammond, Claudelle McCrary.

Back row: Dorothy Smith, Eleanor White, Mrs. Marian H. Wilcox, Maxeda Hess, Nancy Cushman, Elisabet Richards.
Front row: Katrina Knowlton, Marlen Eldredge, Sally Limerick, Janet Murphy, Elfrida Winant, Betty Trevor.

THE ORDER OF THE LIBRA

The Order of The Libra, a woman's honorary organization, was formed on the campus in January, 1935. Its purpose is to "recognize women who have attained a high standard in campus activities, to serve as an inspiration to others, to bring together student leaders for a common purpose, and to form an understanding bond between faculty and students."

Plans are being made to nationalize the Order next fall. The membership of Libra includes women prominent in athletics, scholarship and fine arts, publications, social leadership and other activities. Elections of new members take place twice a year, in November and in April, and at no time shall the quota tapped each year exceed three per cent. of the women students.

The officers are: Jean Parker, President; Betty Trevor, Vice-President; Dorothy Smith, Secretary, and Marlen Eldredge, Treasurer.

Members are: Maxeda Hess, Nancy Cushman, Janet Murphy, Sally Limerick, Elisabet Richards, Elfreda Winant, Eleanor White, and Katrina Knowlton.

Faculty members: Dr. Evelyn Newman, Mrs. Richard Burton, Mrs. Marian Wilcox, and Miss Annie Russell.

DRAMATICS

For the past few years the work of the Dramatic Department has resulted in the favorable attention of dramatic groups in other parts of the country. In the Annie Russell Theatre, which is one of the finest equipped theatres in the country for its size, productions have been presented of a superior quality, not only in acting, but in stagecraft.

Students majoring in dramatics have splendid opportunities for furthering their interests in these lines. From the work in the department two series of plays are presented each year. The Laboratory Productions are put on by students in the department. The Student Company Productions are open to all students on the campus on an extra-curricular basis. Participation in Student Company Productions qualifies the student for election to the Student Company of the year, an honor awarded for distinguished work in either the acting or the technical branch.

THE ROLLINS OCTETTE

Under the management and guidance of Milford J. Davis, the Rollins Octette was organized in January of this year. Since that time, this able and talented group has gained a well-deserved reputation for its lively interpretations of the lighter Glee Club classics. The group is under the able direction of Choirmaster Christopher O. Honaas, who is in no small way responsible for the great success of the group.

The Octette, a double quartette of mixed voices, is composed of Helen Welch and Katherine Winchester, sopranos; Hazel Bowen and Dorothy Smith, altos; John Beaufort and William Page, tenors; and Milford Davis and Lyman Greaves, basses. Organized originally as a supplement to the Chapel Choir, its immediate success sent the Octette into more professional fields. During the Winter Season, the Octette was one of the outstanding entertainment features at many of the leading hotels of this vicinity. The group also sang over the air from Station WDBO in Orlando.

THE ROLLINS A CAPELLA CHOIR

This musical organization directed by Choirmaster Christopher Honaas, has just completed its fourth season. It has taken a remarkably prominent place in the choral and musical art of the college. The choir leads the Chapel Meditation Service every Sunday morning, and is heard at the convocation and other formal college services.

Early in February the choir was featured in a half-hour broadcast on WDBO, Orlando. Following this they presented a full concert program at the Chapel. The choir also assisted at the Semi-Centennial Celebration which was held in Orange City, as well as making a private appearance at a reception held at the home of President and Mrs. Hamilton Holt. The climax to their successful season was the second home concert held in April, at which time the choir sang "Requiem" of Brahms.

Officers of the choir are: Milford Davis, President and Manager; Lyman Greaves, Secretary; Herman Siewert, Chapel Organist, and Christopher Honaas, Director.

WOMEN'S "R" CLUB

The Women's Physical Education Department at Rollins offers a wide range of activities including individual sports, seasonal team sports, aquatic sports, and dancing, a health program with corrective and nutritive work, and numerous outdoor activities. In the various sports there is much keen competition to make the honorary varsity teams, which are chosen by a committee of five, consisting of the respective sports heads, two "R" Club members, and the two Faculty members. Any girl making three honorary varsity teams, with a combination of team and individual sports, receives an "R" and automatically becomes a member of the "R" Club. This organization governs the W. A. A.

Further awards given are the Rollins blazers, which are awarded only when a girl has made six honorary varsity teams. Miss Marjorie Weber has been for six years the competent Director of Physical Education. Miss Doris Leavitt has been her assistant this year.

Back row: George Hines, Daniel Winant, Stuart Eaton, David Bothe.
Center row: John Bills, John Nichols, George Rogers, Tom Powell.
Front row: Milford Davis, James Mobley, Carl Goller, Linton Malone, John Brown, George Miller.

THE "R" CLUB

For a man to receive a letter, sweater, service star, or emblem for his athletic accomplishments, and then to be included in the membership of the club, is to receive one of the highest honors the Student Association, through the athletic department, can bestow, and that is what the "R" Club is. It consists of those men who have earned their letters in the various major and minor sports, including football, basket-ball, baseball, golf, tennis and swimming.

At the close of the football season, this honorary organization sponsors an annual banquet, at which time the football men are presented with sweaters and letters in recognition of their good sportsmanship. In accordance with an annual custom, the "R" Club assists in the selection of the year's outstanding athlete, the man who has distinguished himself not only in different sports but has also, because of his participation, contributed most to the upholding of the spirit and reputation of Rollins College.

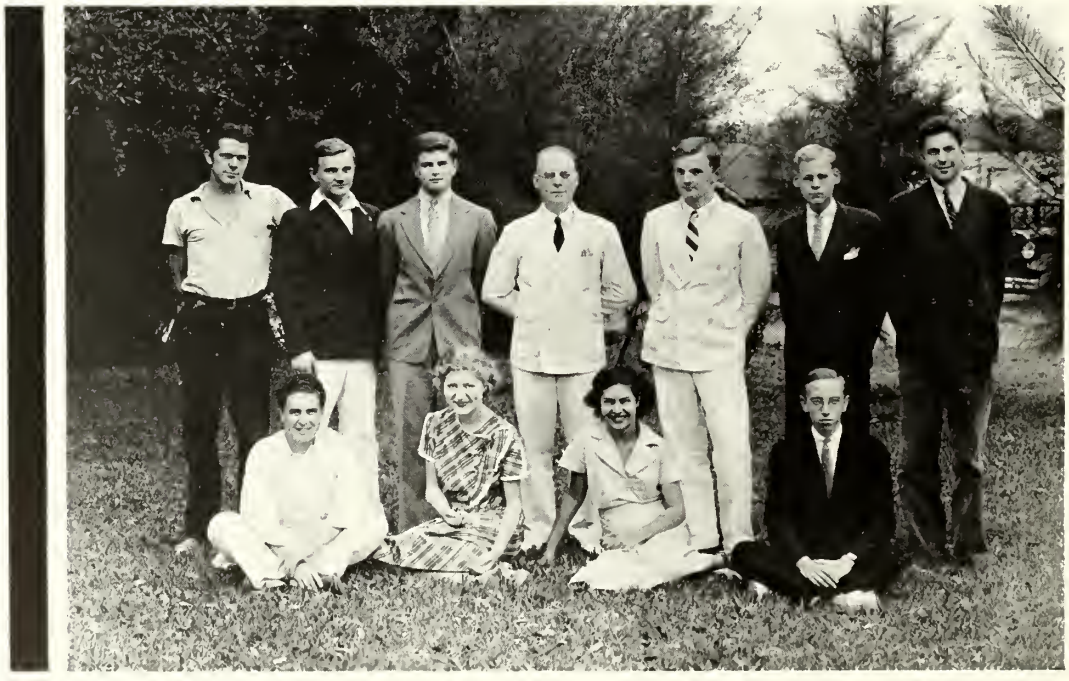

THE ORATORICAL ASSOCIATION

The Oratorical Association has been in existence in Rollins since 1929. It is an organization designed especially for those who are interested in various forms of public speaking, and is in effect a laboratory of the speech arts. From its membership are usually selected the debate teams and the members of Pi Kappa Delta, the national forensic fraternity which maintains a chapter at Rollins.

The officers elected for the year 1934-35 were: Sterling Olmsted, President; James Holden, Vice-President; David Bothe, Secretary; George Young, Manager of Debate; Betty Ann Wyner, Chairman of the Program Committee.

Meetings were held every Tuesday evening at 7:30. The programs included debates, readings, recitations, short sketches, and speeches presented by the members of the Association for the entertainment of other members and visitors.

LE CERCLE FRANCAIS

To further the knowledge of France, the French people, and their literature, constitutes the chief aim of the club. It is a member of the Federation de l'Alliance Francais aux Etats-Unis et au Canada, which is an international organization consisting approximately of two hundred and fifty organizations.

Meetings are held bi-monthly, frequently at the home of some member or at one of the hotels in the town. The association has often been able to secure distinguished visitors to speak before the meeting. This winter the organization co-operated in entertaining the French ambassador, M. Andre L. de'Laboulay, the French Consul General at New Orleans, M. Jean Rene de Lage, and over one hundred and fifty guests at a dinner held at the Virginia Inn.

THE SPANISH CLUB

The Spanish Club is largely composed of those students having a fluent knowledge of the Spanish language. However, the group is open to all students interested in any phase of Spanish culture. The meetings are held bi-monthly throughout the year. The purpose of the club is to stimulate an active interest in Spanish culture, the people, and their contributions to the civilization of the world in the past and the present. This purpose has been attained by the club programs which are arranged by the students. The programs have featured the works of modern Spanish composers, the art of Spanish painters, current events and topics of historical value and interest.

In the early spring a program commemorating the tercentennial anniversary of the death of the Spanish dramatist Lope de Vega will be held. Students in Spanish clubs in Florida universities and colleges will present the program.

Front row: Mia Rutz, Marjorie Beisel, Wilda Schmitt, Marita Steuve, Marlin Eldridge.

GERMAN CLUB

Under the personal supervision and leadership of Herr Dr. Feuerstein, the Rollins German Club completed a year of enthusiastic study of oral and written German. Many great Teuton masterpieces were discussed and commented upon, and the conversations carried on in German were stimulating as well as productive of original thoughts and ideas. This club fills the needs of the advanced students in that it enables them to carry their researches further than the classroom; for those less advanced, it supplies thorough training in German diction, bringing about an eventual mastery of this phase of the subject.

Weekly meetings of the club are conducted by member students, who not only learn the technique of presiding, but also come to understand the language as only one who teaches can understand it. The programs given are interesting and varied, and never fail to draw a large attendance from the club membership.

THE ROLLINS STUDIO CLUB

The Rollins Studio Club is an organization for students who are interested in the discussion of developments in the world of art. It is affiliated with the American Federation of Art, which has headquarters in Washington, D. C., and with the Florida Federation of Art. The membership in the club is not limited, and the discussions in the meetings, largely concerned with the appreciation of art and its value in the world today, are often led by invited speakers and members of the faculty.

During the fall term Guilford Galbraith served as President, and Elisabet Richards as Secretary-Treasurer. After Mr. Galbraith's graduation from college at the end of the fall term, Adelaide Anderson was elected President for the remainder of the year. The club's faculty advisor is Mr. Hugh McKean. Several students have received the Allied Arts awards for oil painting, sculpture, charcoal work, and interior decoration.

Back row: Carl Howland, Eugene Smith, Adelaide Anderson, Wilda Schmitt, Miss Virginia Robie, Katherine Jones, Prof. Hugh McKean.

THE COLLEGE COMMONS CLUB

The College Commons, commonly known as the Beanery, has within its walls an organization called the College Commons Club. Every year this closely knit organization welcomes the whole college to a famous function known for generations as the Beanery Ball. Outside of this activity few of its designs and customs are known. An annual award is given to the waiter making the most progress during the year.

DEBATING TEAM

Rollins College, always a strong contender for southern intercollegiate debating honors, finished its 1935 season undefeated in over thirty debates. Members of the varsity teams are Sterling Olmsted and George Young, affirmative; James F. Holden and Andreas D. Bothe, negative. Among the notable victories chalked up by this quartet were those over the University of Pennsylvania (2-1 judges' decision), Emory University, which team was selected by the Student Federation of America to tour Great Britain, and the University of West Virginia.

The outstanding encounter of the year took place in the Annie Russell Theatre, when a Rollins team, composed of James F. Holden and George Young, met Bates College, intercollegiate champions of New England, in a non-decision debate. The general consensus of opinion at the close of this clash indicated a draw. Rollins' forensic exponents enjoyed a trip to the National Teachers of Speech Convention in South Carolina, and to the Pi Kappa Delta Convention in Alabama. The two Rollins women debaters, Kathleen Shepherd and Marita Steuve, showed fine ability in intercollegiate contests.

George Young, Sterling Olmsted, David Bothe, James Holden.

FRATERNITIES

THE INTER-FRATERNITY COUNCIL

Rollins is peculiarly fortunate in having a group of fraternities on its campus which co-operate and fraternize admirably. However there are times of stress, such as the rushing season, when there has to be a certain amount of regulation to prevent clashes in the competition between groups. It is at this time that the organization known as the Inter-Fraternity Council functions. It is made up of ten members, each being elected to represent his respective fraternity. The presidential chair rotates among the fraternities in the order of their founding, as do other executive positions.

This year harmony was so complete among the fraternities that very few meetings were needed to settle the problems. The 1934-35 officers were: George Hines, President; Stuart Eaton, Vice-President; Leonard Roth, Secretary.

Members this year were: George Hines, Daniel Winant, "X" Club; David Schrage, Robert Black, Kappa Alpha; Jack Ott, James Tullis, Phi Delta Theta; Leonard Roth, Charles Goeller, Rho Lambda Nu; Stuart Eaton, Harrison Roberts, Theta Kappa Nu.

NATIONAL PAN-HELLENIC COUNCIL

This organization is composed of two representatives from each of the sororities on campus. The chief aim of this group is to promote a feeling of goodwill among the women's fraternities. The Council regulates all rushing and pledging rules and co-operates with the college in settling any group questions which may arise. The most important innovation this year is the quota system which will do away with the breaking down of small groups and lessen the possibility of controversy.

Executives are chosen from among the members by rotation in order of the sororities founding on campus. This past year's officers were: Elfreda Winant, President; Sara Harbottle, Vice-President; Annajeanne Pendexter, Secretary.

VARSITY FOOTBALL

Five victories and three defeats gave Coach Jack McDowall and his fighting Tars another successful season to swell their record of joint triumphs. Defeated by the University of Florida, Oglethorpe, and Cumberland, Rollins marched through Newberry, Southern, Miami, Erskine, and Tampa U. to capture the unofficial small-college championship of Florida.

George Rogers, Leonard Roth, and Daniel Winant, linemen; and David Schrage, back; were the seniors who finished their last year with the Tars and who contributed in no small measure to the team's success. In the line, the play of Thomas Powell and Cleveland McInnis was especially deserving of mention. George Miller at halfback, and Soc Chakales at quarter, were the sparkplugs in the Rollins offense.

Although crippled by frequent ineligibilities, swelling to a total of five by midseason, Rollins was nevertheless able to place on the field a light, fast eleven, one which never let down until the final whistle. Highlights of the season were the games with the University of Florida, Miami, and Tampa University.

VARSITY BASEBALL

A veteran team, strengthened by several experienced new men, once again made the Rollins nine the strongest small-college team in the South. Jim Mobley, accomplished moundsman of last season, did the greater part of the pitching. He was relieved by Bohunk Young and Brady, with Don Murray receiving. Ed Levy held down first base position, with Soc Chakales and George Miller alternating at second, and Bryant Prentice, third base. Jerry Kirby scooped them up at shortstop. In the field were Anthony Carretta and Dick Tully alternating at left. Ralph Little and Dick Washington took turns at center field, and Dan Winant played right field.

Sweaters were awarded to all men receiving letters for the first time. Paul Twachtman was the 1935 manager, and Jack McDowall was coach.

CREW

Renewed interest, aided by the acquisition of new equipment, is making crew a popular sport at Rollins. Conditions here are very favorable towards rowing training, the sport being conducted here throughout the whole year.

This year the crew was light, averaging about 160 pounds to the man. Pulling the oar at stroke was James Myers; number 7, H. P. Abbott; number 6, Joseph Howell; number 5, Alberto Warren; number 4, John Beaufort; number 3, George Waddell; number 2, Captain R. Brown; number 1, Wilson Scanlon. George Young was the regular coxswain, but was relieved during practice by Miss Sally Stearns.

Leaving on a trip north near the end of the year the Tar Crew met Asheville School at Asheville, North Carolina, May 23, and Marietta College of Marietta, Ohio, on May 26. Prof. U. T. Bradley has been coach for the past two years and Albert Wilson has been the manager this year.

FENCING

Undefeated in the South for the second straight year, the Tar Fencers established, during the 1934-35 season, the best record in the history of the sport at Rollins. Beginning three years ago as an intercollegiate sport, the team, under the leadership and coaching of Professor William Louis Roney, has shown vast improvement with the passing of each succeeding season. Out of a varsity four, three new faces appeared in the lineup this year. They were: Michael Karnilow, Eugene Townsend, and Lyman Greaves. Captain Andreas D. Bothe was the only veteran swordsman on the team. These four men, Donald A. Cheney as first substitute, and Coach Roney toured the North in the latter part of March, meeting Army, Yale, Navy, Harvard, Princeton, and New York University. Army, Yale, and Princeton fell before the flashing blades of the foils team, all by the score of 5-4. Weakness in Sabre and Epee prevented complete victories over these teams. Prospects for next year are very bright as the entire varsity will return for the 1935-36 season.

The scores are as follows:

ROLLINS	12	—ALABAMA U.	6
ROLLINS	9	—GEORGIA TECH	8

TENNIS

Led by Captain Henry Lauterbach, the Rollins netmen gained an even break during the 1935 season, winning four matches and dropping an equal number. The play of Lauterbach was steady and consistent at all times, and he seldom failed to contribute points on the winning side of the ledger.

Also notable was the work of the veterans, Olcott Deming and Fred Scholfield, while among the new team members Volney Bragg and Bob Vogel were outstanding. In the majority of their matches the netmen appeared in the following order: Lauterbach, No. 1; Bragg, No. 2; Vogel, No. 3; Deming, No. 4; Scholfield, No. 5, and Edmonds, No. 6. Professor Buel Trowbridge has been the coach for the last two years.

SWIMMING

At the outset of the swim schedule, Rollins was defeated in three starts, nevertheless the team showed decided promise and a fairly successful season was predicted at the time of this printing. The Tars lost their initial meet to the University of Florida by a wide margin. Then, at home, on March 23, they were again defeated by the powerful University of Florida team, 31-37. On March 27 the team met defeat at the hands of the strong aggregation from Clemson College, 52-31.

Outstanding on the swimming team are Captain John Nichols, who swims the 50 and 100-yard freestyle, also participating in the diving, and Paul Alter swimming the 220 and 440-yard events, who scored the only first place gained by Rollins against Clemson. Other members of the team and their events follow: Relay team, Tom Powell, Lewis Wallace, Paul Alter, and John Nichols; 100-yard backstroke, Carl Goeller.

GOLF

Strengthened by the addition of Bob Servis, former Ohio State Amateur Champion, and Tom Whiteway, Champion of the Pine Ridge Club, Cleveland, Ohio, the Rollins golf team recently concluded a conspicuously successful season. The Tar club swingers dropped only three matches during the past year, losing to Georgia, North Carolina State, and Georgetown University, while included in their triumphs were victories over such formidable opponents as the University of Florida, Emory University, Miami, and the University of Virginia.

The Tars were greatly aided in their 1935 campaign by John Brown, Maine State Amateur Champion, and Ben Kuhns, veterans of previous years. In addition, Brown Rainwater, Bob Caten, and John F. McFarlin were indispensable to the team on its northern swing, which unfortunately came at a time when Servis and Whiteway were scholastically ineligible.

THE 1935 SCHEDULE

ROLLINS	10½	—U. OF FLORIDA	6½
ROLLINS	3	—ST. PETERSBURG JR. COLLEGE	3
ROLLINS	16	—MIAMI	2
ROLLINS	3	—U. OF FLORIDA	3
ROLLINS	14½	—EMORY UNIVERSITY	3½
ROLLINS	7½	—GEORGIA	10½
ROLLINS	5½	—NORTH CAROLINA STATE	12½
ROLLINS	16	—U. OF VIRGINIA	2
ROLLINS	1	—GEORGETOWN U.	5

INTRAMURAL ATHLETICS

It is part of the New Curriculum Plan to include in its schedule a system of intramural athletics so that all students may be able to participate in some sport. Members of the various varsity squads are not eligible, thereby making skill a nonessential. The system at Rollins has been particularly successful because of the excellent spirit shown by the students. It has been the custom each year to award a cup to the organization making the greatest number of points in all sports collectively.

For the second consecutive year the Kappa Alpha fraternity has dominated the Intramural League, nosing out the "X" Club by a narrow margin. Phi Delta Theta was runner-up for the coveted Gary Cup, Theta Kappa Nu placed fourth, and Rho Lambda Nu ended in fifth place. Rollins Hall and Chase Hall did well in some of the sports but did not enter all activities.

In the fall season the Kappa Alphas nosed out the "X" Club in a close run for the touch-football tournament. A smooth working quintet gave the Kappa Alphas another first place in the basket-ball race, with a dark-horse Phi Delta five a constant threat. Coming up from behind, the "X" Club topped the Kappa Alpha runners in the grueling cross-country run.

Final results in detail were not available at the time the TOMOKAN went to press, however the Kappa Alpha fraternity is slated to win the Gary Trophy.

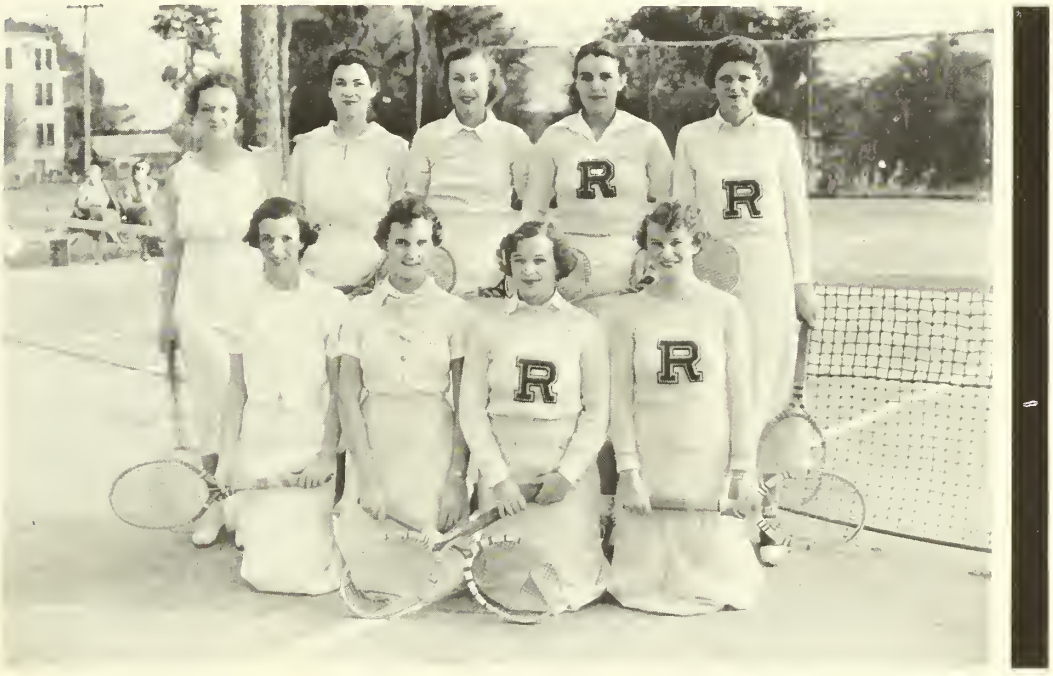

The picture below is of the Kappa Alpha Touch-Football team which was victorious this season.
